

If you're planning to hunt on the 800 plus acres of land owned by the City of Baxter south of Mapleton Rd., please use one of the three approved access points highlighted on the below map. Two of the locations are just off Mapleton Rd., one just off the road near the power lines and the other on the western border of the city on an old access road. The third option is located just off the cul-de-sac at the end of Oakdale Rd. Parking anywhere else would require private landowner permission. Thanks in advance for your cooperation.
